Dear Friends in Jesus Christ,

Today, we live in a world or in a country where many people are crying out for their rights, their life and their choices. In this situation of our world and country, I want to remind you that God made a great and wonderful choice in His authority to have us all in this world with a specific purpose. Above all, by being a Christian in the name of Jesus, I would like to remind you that God made an excellent choice in welcoming each of us to His Christian Community with a great purpose. The Gospel of today very clearly explains to us the great purpose of God having each of us in this world in His excellent choice. Jesus highlights our importance in this world through three metaphors. Though they look simple, in reality they are really powerful. Jesus says:

**You are the salt of the Earth  
You are the Light of the world.  
A City set on a mountain cannot be hidden.**

Yes, these three metaphors clearly say that each of us is inevitable beings in this world.

Jesus says: You are the Salt of the Earth: Though, salt appears to be so simple, in reality we find that salt plays a very important role in our lives. Yes, salt is a basic and essential item in our diet and adds flavor or special taste to our food. Apart from adding taste to the food, it has other important qualities. In ancient times, salt was used as one of the best preservatives. Salt has also been used for medicinal purposes. In the Old Testament, we can see salt has different connotations like purification, sacrifice, loyalty and covenant. So when Jesus says to us, "You are the salt of the earth", it implies that it is our identity, as well as our mission. Yes, we are called to discharge the qualities of salt in this world to be a means to add taste to the lives of the less fortunate, preserve lives and its holiness from being corrupted, be a healing remedy to the wounded etc. Again Jesus says, "If salt loses its taste", it is good for nothing. The same way, a Christian life without Christ and His values, will be useless in this world. Mahatma Gandhi, the father of the Nation India once said. "if I were to see a true Christian in my life, I should have converted to Christianity." The greatest tragedy of Christianity in this modern world is that we Christians are losing the taste of Christ in our lives.

Jesus says: You are the Light of the World: I am sure, some of you know well, the importance of light when you had the winter storm a couple of years back. People coming from developing and under developed countries will know the importance of light. If you ask a blind person, they will tell you the importance of light. Yes, light enables us to see things and enables us to walk without falling and trembling. The important part of the light is that we not only see things around us, but we are also seen. So as a disciple of Christ, we are bound to maintain our identity as true a Christian and help others to walk in the light of Christ. Jesus was able to say "I am the Light of the world" by being united with His Father in Heaven in thoughts, words and actions. The same way, we can be a true light in this world, only by being united to Him, through our thoughts, words and actions.

Jesus says: A city built on a mountain cannot be hidden. If we look into the lives of Jesus, we see that all the important things that happened in His life were on a mountain. Yes, the life of a Christian is not to be hidden, but to be seen by others. Yes, our Christian life and Christ's values should stand out in this world. By this, everyone will know that you are my disciples.

Yes, let us be thankful to God for His great confidence in each one of us by letting us live in this world and making us aware of our importance in this world as Christians. At the same time, let us ask the Lord to help us to live up to His expectation as a true disciple of Him. God Bless You.
