Luke 15:1-32

“I shall get up and go to my father and I shall say to him,

‘Father, I have sinned against heaven and against you.’”

It is important for parents to *tell* their children *I love you!* Parents nurture, protect and provide for their children during their early life, then become role models, teachers, and disciplinarians. That last role may cause a child to doubt the love of a parent. One young couple learned early in their marriage to tell their children *I love you* and to *hug* and *kiss* them every day. Their children learned to respond. Later, when their sons and daughters were covered with sweat or dirt after a tough game or makeup after a play or recital, they searched out their parents to *hug* and *kiss* them and say, *I love you*, regardless of how they performed or the outcome of the event. The parents, children, and now grandchildren, all hug and kiss and tell each other, *I love you!* They all know that they can go to each other, when necessary, and say, “I have sinned against heaven and against you, and I am sorry.” They know they will be hugged and kissed and told *I love you*, no matter what they have done or failed to do. That is true stewardship of Christ-like love.

**Sacrament of Baptism:** *The Sacrament of Baptism for infants is administered upon request. Parents and Godparents must attend an evening class on Baptism in the Catholic Church. Please contact the pastor and set up an appointment for this class at least a month in advance. At least one parent must be a practicing Catholic for their child to be baptized in the Catholic Church. Godparents must be at least 16 years of age and at least one must be a practicing Catholic.*

**Sacrament of Anointing of the Sick:** *The Sacrament of Anointing of the Sick is celebrated upon request, and at least four times a year at all the weekend Masses. Please notify the pastor or call the parish office if you know of anyone who might need this sacrament, but may not be able to notify the pastor personally. Please inform the pastor if you or any one in your family is in the hospital. If you notify us before surgery, we can celebrate this sacrament before you are admitted to the hospital. If your doctor is willing, we can also have a blessing for him/her at the time of your anointing.*

**Sacraments to the Home Bound:** *Please inform the pastor if you know of anyone who is homebound so that we can insure that they are afforded ample opportunities to receive the Sacraments. We would rather be notified by several people than to not be notified at all, so please don't presume that someone else has already notified us.*

**Sacrament of Marriage:** *A couple wishing to marry must contact the priest at least six months prior to the desired wedding date. According to the guidelines of our diocese, you should not make absolute plans for a specific wedding date until after meeting with the priest. The couple will be required to attend a marriage preparation course which will include at least one formal program such as an Engaged Encounter Weekend or the Sponsor Couple Program.*
