"You are not far from the kingdom of God"

Mark 12:28b-34

My dear friends in Jesus Christ,

Greetings to you from your loving pastor Fr. Jegin Puthenpurackal. Hope and pray that these few line of mine will find you in the best health of mind and body. Yes, I had a short and sweet visit to some of my family members in California. Thanks for your prayers and love. As we thank the Lord for the good protection that He is giving us, let us also join with the people who are affected by the terrific hurricane 'Sandy', and pray for them. May the Good Lord give them courage and strength to overcome the ill feeling created by Sandy in their lives. Let us be all united in Love & Faith in Jesus.

Today we are entering into the 31st Sunday in Ordinary time. Jesus is inviting us to share His love with one another.

LOVE, the four letters builds human life, community, society, country & the world. LOVE, the four letters can be a destructive force in human life, community, society, country and in the world when it is misused. So handle Love with care. Can we ever imagine a life without love? That life is the most miserable life here in the world. Someone says life without love is hell. As a believer no one wishes to go to hell, but rather wishes to be part of Heaven where love exists & rule. The best & easiest way to get into heaven is to do nothing but follow the best commandment of the Lord; "**You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength and you shall love your neighbor as yourself.**" Be sure, there is no other way to go to heaven other than this. Today, Jesus is reminding us about this powerful love, that means we are not too late to start our life with love, but time to begin our life with love of God & neighbor.

Once, a teacher asked his disciples, how do you differentiate light from darkness or the night is over and the day has come? One said when I see a tree from a distant place and clearly say what tree it is then I can say it is day already. Another said when I see two animals from distant place and able to differentiate both of them clearly, I can say it is day already. Thus many answers were given by each disciple. But the teacher was not happy with their answers. Then, the disciples were very curious to know the right answer from the teacher. The teacher said, when I see some one coming towards me from far away place and without any hesitation I say here is my brother coming, only then I can say the day has come already, otherwise everyone is in darkness.

Yes, my dear friends this is the same message Jesus is sharing with us; love God and neighbor. Our faith teaches that, the very moment we start our life in the womb of the mother we begin to experience Gods love, and by receiving baptism we take the responsibility to share that love, the love that we experienced in the womb of the mother. Yes, it was after the baptism Jesus began His ministry of love, the same way we should be also able to begin our mission of love. But before we begin our mission of love, we should keep in mind that the source of love is nothing but God alone and that is why John says "God is Love." So love of God and love of neighbor goes hand in hand, and this cannot be separated. If someone thinks that it could be separated or one can be ignored then the Love will not be perfect.

Dear friends we need to keep in mind that, Jesus' love for us is perfect and we are called to experience and share this perfect love in our lives. As an imperfect being, to experience and share perfect love in our lives, we need to be with the perfect one-Jesus Himself. To be with him is to love Him. So let us take this challenging mission of loving God and neighbor and win Christ for this wonderful world.
